## 2004 Ohio House of Representatives Scorecard

Are my Ohio elected officials Pro-Choice?

NARAL Pro-Choice Ohio wants you to be informed about your representatives here in Ohio. This House scorecard will help you to determine if your State Representative is Pro-Choice, Anti-Choice or somewhere in-between.

The scores in this scorecard are based on five Choice votes that occurred in the Ohio House of Representatives during the last legislative session. These five votes were:

**S.B. 156 "Choose Life" License Plates Bill:** Final vote to establish "Choose Life" license plates in Ohio which would generate funds for fake clinics known as "crisis pregnancy centers." This provision was included as an amendment on an unrelated highway naming bill.

**HB 126 Mifepristone Bill:** Vote to require Ohio doctors to prescribe three times the necessary dosage of Mifepristone, aka RU-486. This will triple the cost of medical abortions in Ohio.

**S.B. 196 Pharmacist Refusal Clause Amendment:** Vote to allow Ohio pharmacists to refuse to fill prescriptions for birth control --even emergency contraception for rape victims. This provision was included as an amendment on an unrelated bill.

**H.B. 129 "Celebrate Adoption" Amendment:** Vote to table an amendment to rename the proposed "Choose Life" license plates "Celebrate Adoption" and direct funding to the National Center for Adoption Law and Policy.

**H.B. 129 "Choose Life" License Plates Bill:** Vote to establish "Choose Life" license plates which would generate funding for fake clinics known as crisis pregnancy centers.

A Score of **100%** means that the representative voted **Pro-Choice** in all 5 cases, a score of **0%** means that the representative voted **Anti-Choice** in all 5 cases.
